

# Jackson Ohanian

## PROFILE

Current Statistics and Computer Science student graduating May 2021, looking for an entry level position into the Data Science and Software Engineering fields in the form of a part or full-time job. I am hoping to find a position where I can apply what I have learned over the last few years in a fast-paced, unique environment. Please feel free to contact me with any questions regarding my résumé.

Portfolio is available at <https://github.com/jackson-ohanian>.
